Anti-Bacterial

Non-Porous

Anti-Mold

Easy-to-Clean

Anti-Fungal

- MEGANITE gives you products that you can count on where performance is critical.
Hospitals, Clinics, Nursing Homes, Schools, Government Facilities, Cafeterias, Kitchens and Restaurants
- Performance that is the same or better than other solid surface brands.
- Colors and patterns that are the industry's most sophisticated and popular.
Over 64 great colors in 5 outstanding design groups; Solid, Mist, Granite, Stone, Boulder
- A large selection of sinks and vanity bowls in your choice of solid colors.
- Wall applications including wet-wall without grout seams with our 1/4" product.
- MEGANITE allows you to meet critical budget demands for those "value engineered" projects.
With material savings of up to 40% less than other brands MEGANITE keeps you within those tight budgets
- **MEGANITE... Today's Smart Choice!**
